

**North Hastings Quilt Club Library  
Annotated Bibliography  
2013**

Category: Comprehensive

Listing of books that give a comprehensive overview of the craft, suitable for all levels of quilters. The title, author and a brief description of the book is included, as well as the publishing date. The date will help you know whether the book is in full colour, black and white and pre-rotary cutter. Some quilters prefer full colour templates, like beginners. This information will help you choose your references more suited to your needs.
