

**North Hastings Quilt Club Library
Annotated Bibliography
2013**

Category: Patchwork

Listing of books that refer to making blocks from geometric shapes. The title, author and a brief description of the book is included, as well as the publishing date. The date will help you know whether the book is in full colour, black and white and pre-rotary cutter. Some quilters prefer full colour templates, like beginners. This information will help you choose your references more suited to your needs.

Title	Author, Date	Information
<u>101 Patchwork Patterns</u>	Ruby McKenna, 1962	-definitive instructions for every step of the quilt making process
